With August drawing to an end, I would like to thank all club members for their continued support. This month saw our first beginner's course for the year. A total of 12 people attended. A good time was held by all and a big shout out to the all the people for giving up their time to help out.

Club attendance seems to be increasing week to week. It's good to be seeing people enjoying archery after our interrupted start to the year.

Please remember to do the right thing in regards to social distancing, hand sanitizing and do not attend if you are feeling any cold and flu symptoms!

### A word from the President

Hi Everyone. Firstly a big thanks to Todd for putting this newsletter together. I'm sure it will be a great asset for the club so if you have any gear that you want to sell, let Todd know. A small adjustment to the Club Competition this month – we'll move the Clout round back to October and this month we'll shoot Canberra rounds.

Archery Australia has organized an online competition, with a similar format to the Club Challenge of previous years, using Canberra rounds, so this will give us a chance to practice. Registration for our Club Comp via Archers Diary and some information regarding the AA tournament at this website:

Finally a big thanks to everyone who put their hand up to take on a Committee position. Great to see a few new faces giving something back to the club. Hope to see you all at the Club Comp on Saturday.

**We have a number of the old style white club shirts that we are selling at \$5 each. If you are interested in one have a chat to Jon Gore and he'll let you know if we have your size.**

### Facts about Archery

Archery was the first Olympic Sport in 1904 to allow female competitors.
